

The *crop marks* should indicate the exact finish of your book

Place the *crop marks* outside of the bleeding edge

The red box is the final trim cover size

Do not put any text or important images beyond the blue dotted box we recommend leaving a 1/4" between the final edge of the book and your text/images

Allow 1/8" bleed

The background color or image needs to bleed all the way to the black box

These *crop marks* indicate the spine width  
USE *SPINE WIDTH CALCULATOR* TO GET PROPER MEASUREMENT
